At the state meet at Boulder the Bulldogs fought a hard battle and brought home glory and the second place trophy. An excellent record wouldn't you say!

OUR "THANK YOU"

To the business people of Craig, who are always so willing and so generous with their support of our high school, we say THANK YOU, sincerely and gratefully.

To the administration, the teachers, and the students who have helped us in so many ways, but especially with time and patience, we also say THANK YOU.

We have learned many valuable lessons from our efforts to construct this yearbook, not the least of which has been the value of cooperation. We trust the result reflects our appreciation of your assistance and does credit to the many hours of work we have put into this annual.
